## **Fiscal Year July 1, 2007 through September 30, 2008 – a 15 month Year In Review**

Greetings from the Executive Director,

This fiscal year was the ultimate “Year of Change” for Someplace Safe. Not only was there a change in the Executive Director position after 26 years, but several staff changes occurred throughout the organization, as noted in the individual reports, and services contracted for a human resource generalist. In addition, long time board members, Bev Nelson, Clay County and Shalom Kropfl, Big Stone County resigned. With those resignations came changes in the bylaws to add Members At-Large. This was an exciting year in which the Board of Directors expanded its membership beyond service providers to business professionals and their expertise. In November, 2007, the Board embarked on a feasibility study for a new shelter, attended a Board Leadership Academy in May, 2008, and in September, 2008, there was a Board retreat and the beginning of a Strategic Plan for Someplace Safe. The result is a very active, involved Board of Directors committed to the building or purchase of a new shelter.

In March, 2008, Someplace Safe was notified that the Office of Justice Programs, which provides 65% of Someplace Safe’s funding, was changing their fiscal year from July to October. Someplace Safe instituted a new accounting program and changed its fiscal year to match that of the state funding.

Highlights of the year are: the Parkers Prairie house began to be utilized by families leaving shelter and staff hours added there through funding from the Vedeen Trust; Sexual Assault advocates in Fergus Falls and Morris began office hours at MSCTC and UMM; and new victim information packets were designed and donated by Otter Tail Power.

In 2008 Someplace Safe provided direct advocacy services to nearly 3,000 victims in its eight county service area, and answered approximately 5,000 crisis calls. 111 children and 119 families were served by PTC. 61 women and 47 children utilized shelter services and another 47 families were provided safety through our hotel/motel network. In addition to serving victims of domestic violence and sexual assault, general crime victim services were provided in the following areas: 66 burglaries, 400 theft/larceny, 560 other assaults, 349 threats/harassment, 132 fraud, 212 vandalism, and crimes involving aggravated assault, motor vehicle theft, stalking, and forgery.

Someplace Safe staff presented 315 times to community groups, schools and professionals with 16,315 people attending the presentations.

213 volunteers across the agency provided 3013 hours of service.

Trainings were presented in Alexandria and Morris by Frank Weber from the sexual assault offender treatment program in St. Cloud; UCAN, Douglas County partnered with Someplace Safe to provide trainings on domestic violence to business professionals. Rose Thelen spoke at an all staff meeting on Herstory of the Battered Women’s Movement;

Board member, Scott Fox spoke on Cultural Diversity; Dan Casey on Compassion Fatigue, Marsha Krenzel-Stetson from Lakeland Mental Health on chemical dependency and mental health issues in victims of abuse. Advocates from Pope County presented to all staff on philosophy and core values of our agency.

Special Events included: Douglas Outreach hosted a Healing Fire event for community members; a Unity Gala was co-hosted by Douglas and Pope Outreach advocates and sponsors with 260 Community members attending. Taking Steps Against Violence Walk drew a crowd of 150 people in Douglas County. A Men's Luncheon was hosted in Pope County with 50 men attending to show their support of violence prevention efforts. The Parenting Time Center in Fergus Falls was recognized for 15 years of service. The Otter Tail County Sexual Assault program hosted a successful art show: Creative Hope. Otter Tail General Crimes advocate presentations reached 645 senior citizens at 9 nutritional sites in OTC on senior citizen safety.

Successful fundraising efforts included the Queen's Feast in Perham, Unity Gala in Glenwood, Chili Feed in Ortonville, It's A Girl Thing in Breckenridge, Tea in Fergus Falls, and the Spring Tea in Parkers Prairie.

Generous grants from Otto Bremer Foundation, Tastefully Simple, United Way of Douglas & Pope, Otter Tail, and Wilkin Counties, University of MN Morris, Grant County Commissioners, Rural Electric Association, and Gladys Brang Foundation provided funding for our services to victims and families in our eight county service area.

Someplace Safe Awards Banquet was held May 1, 2008 at Pebble Lake Golf Course in Fergus Fall. Friends of Someplace Safe Community Awards went to: Dennis Happel, Attorney at Law in Perham, for his passionate support in working with clients to fundraising efforts in EOTC; NW Synod – WELCA for their broad financial support and awareness of our services across the region; and Tastefully Simple as a collaborative partner with Someplace Safe in Douglas County.

Years of Service Awards were presented to staff:

25 Years: Carol Solberg, Finance Manager

10 Years: Lynette Myer, Wilkin Outreach

5 Years: Deb Lehn, Shelter; Stephanie Frank, Shelter;

Kris Warhol, Shelter & Perham Outreach Sheila Korby, OTC Outreach and 8<sup>th</sup> Judicial District Manager; and Leigh Lake, OTC General Crimes Advocate. Keynote Speaker was Brian Baustian, UCAN member, Alexandria.

I continue to be grateful and awed by the work of Someplace Safe, its dedicated and compassionate advocates, committed board members, faithful supporters, and generous funding streams that allows us to provide much needed refuge and peace to those who come to our doors seeking help.

Jeanne Jacobs, Executive Director
