Calling All Courageous Men!

Walk A Mile in Her Shoes® is literally asking men to walk for one mile in a pair of women's shoes, while raising awareness and funds to help provide services and support to victims and survivors of violence in our area.

Challenge yourself, friends, family and co-workers to gather pledges and walk. Get our community talking about an important issue - sexual violence.

Of course, women are also welcome to walk - men need support along the way!

Why Walk?

One in Three women has experienced sexual violence in her lifetime. One in Six boys will be sexually assaulted by the age of 18. That means that someone you know, someone you care about, has likely been a victim of sexual violence. So walk for your daughter, your son, your mother, your father, your niece, your nephew, your friend, your colleague or yourself!

**CO-SPONSORED BY THE UMM COMMISSION ON WOMEN
& M.O.M. (MEN OF MORRIS)**
